

Running 103/201/301 Training Programs

Late Fall (Nov-Dec) 2015 – Offered in these areas:

Holmdel, Belmar/Wall and Long Branch

Program Description: A 7 week training program for adult runners who are training regularly and are seeking a variety of workouts and professional coaching advice to continue their running progress. Our runners will learn practical training philosophy, gain further development of running skills and learn how to prevent running injuries. We will help you establish your running goals. Lifelong runners achieve the benefits of effective weight management, improved cardio-vascular health, higher energy levels and reduced risk of many diseases. The coaches will help you improve your running with workouts that focus on proper running form and breathing efficiency, increasing running time, increasing running speed and hill running. Enjoy training in the spirited camaraderie of runners who have similar ability and experience. The program will be led by **experienced running coaches**, John MacGillivray and Elaine Hartung, both **certified as coaches** by USA Track & Field and American Sport Education Program and certified as **Personal Fitness Trainers** by AAI-ISMA.

Program Pre-requisite: Individuals should be training regularly (running 2-3 times per week) and able to do a workout of 25-30 minutes for Running 103 level; at least 40 minutes for Running 201/301 levels

When and Where: Please make your selection on the registration form below.

What You Receive: Program includes 7 weekly instructional sessions/workouts, weekly training guidelines, educational booklet of running information and weekly e-mail updates with tips to improve your running. Healthy snacks will be served after each training session. **Class size is strictly limited.**

Fee: \$85, if registered by 10/28/15; \$95, if registered after 10/28/15 or until the program is filled. Runners who are new to our training programs should e-mail us before sending your registration.
